MEET THE TEAM

MEET THE COACHES

Mr. Butler

Mr. Butler is our dedicated 'Iobotics coach. Through clear communication and hard work, he helps us achieve what we need to have a successful FTC season. He helps us with brainstorming ideas, building the robot, and CAD design/3D printing.

Mr. Matsushima

Mr. Matsushima is our programming coach. He has taught us all we know, from making classes, writing simple controller codes, to writing out entire autos.
